

A new way to feel at home on the road.

With properties in prime metro locations, Placemakr offers “all-suite” styled apart-hotels that provide the classic comfort and privacy of home complemented with the safety and security of a traditional hotel experience.

We're introducing a revolutionary and sophisticated take on your current **travel program** by blurring the lines between home and hospitality.

Start the day your way, maintain your routine, and let us take care of everything in-between so you can focus on the business at hand.
