“

As a seasoned business traveler, this is by far the best experience I've had in over my 20-year career.

The rooms are new, spacious, clean, quiet, and include a full kitchen. The fitness center and rooftop pool area are state-of-the-art! The staff is friendly, helpful and a pleasure to see. They remember your name and go out of their way to make sure you are well-taken care of!

I'm spoiled now, as it's disappointing going back to a generic hotel. Try Placemakr you won't be disappointed - I promise!

Our start-up was fortunate enough to find Placemakr for our lodging needs.

We often stay for several weeks at a time and the accommodations and service provided make that a far superior experience to that of staying in a small hotel room. Not to mention at a fraction of nearby hotels.

The rooms are spacious and clean, well-appointed, and have an in-unit kitchen and laundry. The staff get to know you and are willing to do anything to make your stay comfortable. I would feel 100% confident referring my family and friends to the team at Placemakr and I have!
